		<b>P&amp;C Contribution</b>	\$50.00 per Family

### **Annual Fee:**

This fee is used to pay for various subscriptions and online programs used in school and as homework tasks. It also includes the technology fee which is explained in more detail below. Other parts of this fee include home reading resources that continually need replenishing and updating, and specialised resources for curriculum programs.

### **General Contribution:**

The General School contribution has been set at **\$50.00 per child**. This contribution fee is voluntary and enables the school to enhance our whole school resources for use in the classroom, sport resources, music resources, library books, student wellbeing activities and general resources for the day to day running of the school.

Although the school does receive some funding from the Government we value the monetary contributions from our families to ensure our students have the very best resources and facilities available, to enhance their learning.

### **Voluntary P&C Contribution:**

The P&C has set the P&C contribution at **\$50.00 per family**. Last year due to COVID the P&C were unable to fundraise. This years family contribution will provide funds to the school which support school programs and activities and enhance the learning outcomes for all students. Over the years the P&C has contributed financially to assist the school to purchase new and replacement air-conditioners; new and replacement interactive whiteboards (IWB); new blinds in each of the classrooms; improvements to the school grounds; and other resources the school has requested.

Last year the school starting updating the Interactive Whiteboards in classrooms with an Interactive panel which will cost approximately \$6000 each. We updated 5 classrooms last year, leaving 13 classrooms, a library and a "Studio" left to update.

If you have any further questions, please feel free to contact [president@winstonheightspandc.com](mailto:president@winstonheightspandc.com) or you are welcome to attend the P&C meetings held at 7pm on the 4<sup>th</sup> Monday of each month in the staff room.

### **Technology Fee:**

The technology fee supplements the costs associated with our school's technology resources and network, thereby enhancing the learning programs and activities for our students. This fee will contribute to classroom resources, laptops and purchasing iPads for purposeful learning experiences for our students, the provision of software, including licensing, expanding and upgrading network infrastructure, including additional resources for our Studio program this year. Students experience a variety of exciting technologies while attending Studio lessons, such as virtual reality, robotics, iPads and more!

## **Payment Details:**

Payment is due by **19<sup>th</sup> March 2021**. Payments must be received by this date to ensure individual student subscription for Mathletics, Reading Eggs, ClickView, School Magazines and various Library online subscriptions. If facing financial difficulty, please contact Mrs Bullock or Mrs Wood on 9624 7485 to discuss options available to you, including payment plan, extension of time and financial assistance.

Payment may be made by cash, cheque (payable to Winston Heights Public School), or click on the secure link sent to you via email with an electronic copy of this note.

Kind regards,

**Terri Bullock**  
**PRINCIPAL**

**Lee Wood**  
**SCHOOL ADMINISTRATION MANAGER**
